

United Way of Crawford County

Dear Friends,

Your gift to the United Way of Crawford County works around the clock.

Check out these examples of the impact your donation made in 2011:

11:00 am - A Crawford County High School student receives the Jim Ade Scholarship which enables her to attend the technical school she has dreamed of.

12:00 noon - A senior citizen receives an electric fan from a United Way volunteer which gives her relief from the current heat wave.

1:00 pm - United Way volunteers meet to plan an upcoming Food Drive to benefit the hungry in Crawford County.

10:00 am - An elderly woman who can barely afford groceries receives Senior Farmer's Market Nutrition Program checks that provide \$18 worth of nutritious, fresh produce. United Way is the local administrator.

9:00 am - Families in need arrive at a local church to receive coats donated by United Way to keep them warm this winter.

8:00 am - A young mother uses her FamilyWize prescription discount card at CVS and saves \$34 that enables her to buy formula for her baby.

7:00 pm - United Way volunteers meet with Crawford County health and human service organizations to decide on funding needs of our community.

6:00 pm - Four children from a single parent family participate in 4-H because the project manuals were provided by UWCC.

5:00 pm - Youth Service Bureau students are busy completing their homework assignments and preparing resumes on computers donated by the United Way of Crawford County.

2:00 pm - A family in need receives school supplies collected during the United Way "Stuff the Bus" school supply drive.

3:00 pm - A low income family gets help using the computer to apply for food stamps online at the Benefit Bank.

4:00 pm - A farmer eliminates the threat of a mosquito-borne virus by turning in tires on the Crawford County Recycling Tire Day thanks to a grant from UWCC.

The clock is ticking for those who need our help. Please help support our work this year with your gift. And remember - 98% of your gift stays right here in our community helping our friends and neighbors in need.

Best regards, United Way of Crawford County
